

THREATS TO HIGHER EDUCATION: THE IMPORTANCE OF A UNITED FACULTY

With Professor Lisa Klein

Professor Lisa C. Klein was the first woman hired to a tenure-track position in the School of Engineering, Rutgers University. The focus of Klein's activities is the synthesis and processing of ceramics and glasses using the sol-gel process. She was President of the Rutgers Council of Chapters AAUP-AFT, which represents faculty and graduate employees. In 2015, she received the Human Dignity Award from the Rutgers University Committee to Advance Our Common Purposes.
