

BENEFITS

Section 1. Health. Bargaining unit members may participate in the group health insurance plans offered to University employees to the extent permitted under the provisions set by the administrators of the benefits, which may be modified from time to time. Bargaining unit members are also eligible to participate in additional benefits programs offered through the University to the extent permitted under the provisions of those programs, which may be modified from time to time.

Section 2. Retirement. Bargaining unit members may participate in the retirement plans offered to University employees to the extent permitted under the provisions set by the administrators of the benefits, which may be modified from time to time.

Section 3. Parking Permits. Bargaining unit members may purchase parking permits according to the process established by OSU Transportation Services and may choose to purchase a parking permit using payroll deduction to spread the cost evenly among all paychecks of their appointment period.
