Section 1. Testing Availability for Faculty. Based on testing requirements for best public health practices, for the duration of the COVID-19 pandemic, bargaining unit members performing in-person work shall have rapid access to COVID-19 testing at no cost, either on campus or at other convenient locations as regularly established by Oregon State University.

If free testing is unavailable to bargaining unit members for any reason, the Employer agrees to reimburse any costs for COVID-19 testing other than what is covered by the bargaining unit member’s health insurance.

For United Academics:

For the Employer:
