Dear Elections Committee,

I am nominating myself for UAOSU Representative for the College of Science. Please see two statements of support from my colleagues below. Let me know if you have any questions.

Best,
Megan the Totally Real Math Instructor

Hi Megan,

I fully support your decision to become a rep for our college. Please consider this email my support for your nomination.

In solidarity,
The Other Megan

Hi Dan and Megan,

I've decided to run for one of the open UAOSU Representative positions for the College of Science in the upcoming election. To become a candidate, I need to secure written support from two members of our college. Would you both support my nomination by replying to this email with your written support for my candidacy?

Thanks.
Megan
